

The Nuts & Bolts of Buprenorphine

September 26th, 5:30–8:30 PM ET

5:30–6:30 check-in and complementary buffet dinner, 6:30–8:30 training

This course will provide prescribers with the skills needed to implement addiction treatment in a practice setting. It is intended to provide prescribers with practical, evidence-based strategies for initiating and maintaining medications for opioid use disorder (MOUD) as well as tools to care for patients with ongoing use and/or polysubstance use.

Location:

Country Club of Pittsfield
639 South Street
Pittsfield, MA 01201
